My Immaculate Heart will be your refuge and the path that will lead you to God

Dear faithful,

The month of Mary is traditionally dedicated to Our Lady. We joyfully celebrate her divine motherhood and her spiritual motherhood over our souls.

In a world that is sinking deeper every day into a decadence that only the end of the Roman Empire has seen, we need to find refuge in Our Lady. May she be our Lady and our Mother.

Our Lady in the literal sense of the word, the one to whom we pay homage and to whom our hearts turn so that she can purify them, ennoble them and make them conform to the Heart of her Divine Son.

Our Mother, who teaches us the language of the Fiat. To pronounce the Fiat is to acquire that inimitable accent that can only be learned at the feet of the Virgin during the recitation of the rosary. This unconditional yes given to God in all His manifestations, the most important as well as the simplest. May our soul become Marian and refuse God nothing.

“It is the month of Mary, it is the most beautiful month” we sing with all our hearts, may it indeed be the most beautiful month of the year because we put ourselves in the school of Our Lady. Let us take up her yoke; let us listen to and put into practice this lesson that is so relevant today from Fatima, when the Blessed Virgin Mary spoke to little Lucia: “My Immaculate Heart will be your refuge and the path that will lead you to God.”

Come on, let us get up and walk. Do we want to go to God? Let us go to Mary, the path of holiness.

In Christo Sacerdote et Maria,

Fr. Yves le Roux
