

July, 1674 “One day, as I knelt before the Blessed Sacrament exposed on the altar...Jesus Christ, my sweet Master, presented Himself to me, all resplendent with glory, with His five wounds shining like so many suns. “From all parts of His Sacred Humanity there issued flames but especially from His adorable breast, which was like a furnace.

“Opening it, He showed me His loving and lovable Heart as the living source of those flames. Then he revealed to me all the unspeakable marvels of His pure love, and the excess of love He had conceived for men from whom He had received nothing but ingratitude and contempt.

““This is more grievous to Me,’ [Jesus] said, ‘than all that I endured in my Passion. If they would only give Me some return of love, I should not reckon all that I have done for them, and I would do yet more if possible. But they have only coldness and contempt for all My endeavors to do them good. You, at least, can give Me the happiness of making up for their ingratitude, as much as you can.”

**June 1675:** “And [opening] to me His Divine Heart: ‘Behold this Heart which has so loved men that It spared nothing, even going so far as to exhaust and consume Itself, to prove to them Its love. And in return, I receive from the greater part of men nothing but ingratitude, by the contempt, irreverence, sacrileges and coldness with which they treat Me in this Sacrament of Love.

“But what is still more painful to Me is that even souls consecrated to Me are acting in this way. Therefore I ask of you that the first Friday after the octave of Corpus Christi be dedicated as a feast in honor of My Heart, and amends made to It in an Act of Reparation offered to It and by the reception of Holy Communion on that day, to atone for the outrages It has received during the time It has been exposed on the Altars.

“I promise you that My Heart will open wide and pour forth lavishly the influence of Its Divine love on all who will render and procure for It this honor.”

June 2024 - Month of the Sacred Heart

### Revelations of the Sacred Heart to St. Margared Mary Alacoque

**July 2, 1674:** “The Divine Heart was presented to me in a throne of flames, more resplendent than a sun, transparent as crystal, with this adorable wound. And it was surrounded with a crown of thorns, signifying the punctures made in it by our sins, and a cross above signifying that from the first instant of His Incarnation...”

“My Divine Master revealed to me that it was His ardent desire to be known, loved and honored by men, and His eager desire to draw them back from the road to perdition, along which Satan is driving them in countless numbers, that induced Him to manifest His Heart to men with all the treasures of love, mercy, grace, sanctification and salvation that It contains.”

“This Heart of God must be honored under the form of His heart of flesh, whose image He wanted exposed, and also worn on me and on my heart.

“He promised to pour out into the hearts of all those who honor the image of His Heart all the gifts it contains in fullness, and for all those who would wear this image on their persons He promised to imprint His love on their hearts and to destroy all unruly inclinations.

“Everywhere this holy image was exposed to be honored, He would pour fourth His graces and blessings. This blessing was, as it were, a final effort of His love. He wanted to bestow upon men during these final centuries such loving redemption in order to snatch them from the control of Satan, whom He intended to destroy.”
